

Item 7.2 - Working Group Membership

Meeting: 26 February 2026

Motion(s): To appoint members to the Working Group.

Author: Clerk to the Council

Background

Minute 8.3 of 25 September 2025 refers.

In September 2025, Ilmington Parish Council created an advisory working group to review the proposals for the Mabels Farm development and liaise with the developer, originally called the Mabels Farm Working Group.

Since that time, the group's composition and focus have naturally evolved. In order to reflect current membership and the developing scope of work, it is proposed to formally update the group's membership and operating arrangements.

Membership

It is proposed that the group comprises the following members:

Cllr Chris Plyming (Chairman)

Cllr Martin Underwood

Joyce Bridges, Vice chair

Tim Allen, Note taker

Alan Sarjant

Mark Bessey

Martin Eckersall

Lorna Green

Graham Peasant

Steve Prosser

Steve Routly

Carol Van Der Spek

Recommendation

That the council approves the revised membership.
