

Litter Hotspot Survey

Stratford District Council is undertaking a review of litter hotspot locations across the district to help target inspections, cleansing activity and community litter-picking initiatives. We are asking Town and Parish Councils to identify locations where litter is a recurring concern and to provide any local knowledge about the nature and frequency of the problem.

When you submit this form, it will not automatically collect your details like name and email address unless you provide it yourself.

* Required

1. Town/Parish Council Name *

Enter your answer

2. Are there any known litter hotspots within your town/parish excluding privately owned land? *

☐ Yes

☐ No

3. Please identify up to three litter hotspot locations. For each hotspot, please provide:
