Dear Sir/Madam

Ref: Donation to St Mary's, Ilmington

I am writing to ask if you could consider making a donation towards the upkeep of the two churchyards at St Mary's, Ilmington. The costs incurred last year for the upkeep of the churchyard was £1670 this included the removal of a Scotts pine tree, deemed to be dangerous by the surveyor in his report.

Once more, we believe that the churchyard is being maintained to a very high level and the work that is carried out is far beyond the usual grass mowing expectations, incorporating the tidying of bushes, strimming and the like. As always, there is still much to do, and further tree work is planned when we have the correct permission in place, in addition to the wall in the churchyard next to the orchard belonging to Mr Clifford.

Please do not hesitate to get back to me if you have any further queries and thank you for your help.

With Best Regards

Mrs Helen Patrick
Treasurer
